Description :

PDF-4eca2 | The 1930s home presented an exciting new way of living for the generation that moved out to the suburbs. Young couples who had previously rented accommodation in urban centers found themselves able to afford new-build homes with hot running water, a bathroom indoors, and even aerials for the wireless already installed. Some four million houses were erected, and interest in interior home decoration... *The 1930s Home (Shire Library)*
