Description :

PDF-9736e | Many volumes have been written about the long reign of Elizabeth I. Now, for the first time, comes a brilliant new work that focuses on the critical year her reign ended, a time in which England lost its childless queen and a Machiavellian struggle ensued to find her successor. December 1602. After forty-four years on the throne, Queen Elizabeth is in decline. The formidable ruler whose motto is Se... *After Elizabeth: The Rise of James of Scotland and the Struggle for the Throne of England*
