Description :

PDF-1c163 | With his tumultuous love life, relentless pursuit of a male heir, and drastic religious transformation, England's King Henry VIII's life sounds more like reality television than history. He was a man of fascinating contradictions—he pursued a woman he loved for almost a decade only to behead her less than four years after their marriage. He defended Catholicism so vigorously that he was hono... *Blood Will Tell: A Medical Explanation for the Tyranny of Henry VIII*
