Description :

PDF-bf8af | The art of fortification had reached a high state of development even at the dawn of history. Powerful military works, dating from the remotest periods, have been found in Asia Minor, in Greece, and in the basins of the Tigris, the Euphrates, and the Nile rivers. The medieval castle, with its strategic, crenellated ramparts and aura of legend and romance, represents perhaps the most familiar form ... *Castles: Their Construction and History (Dover Architecture)*
