Description :

PDF-66b33 | Building or rebuilding their houses was one of the main concerns of the English nobility and gentry, some might say their greatest achievement. This is the first book to look at the building of country houses as a whole. Creating Paradise shows why owners embarked on building programmes, often following the Grand Tour or excursions around other houses in England; where they looked for architectura... *Creating Paradise: The Building of the English Country House, 1660-1880*
