Description :

PDF-0bdc3 | The Dissertation is one of the most demanding yet potentially most stimulating components of an architectural course. Properly done, it can be a valuable contribution not only to the students own learning development but also to the field of architecture as a whole. This book provides a complete guide to what to do, how to do it, when to do it, and the major pitfalls involved. This is a comprehensi... *The Dissertation (Architectural Students Handbooks)*
