Description :

PDF-af9f7 | The history of the African Association, the world's first geographical society, dedicated to the exploration of the interior of a continent known only through legend and vague report. Africa was once seen as an El Dorado - a gold-encrusted continent of hope and prosperity, where the ancient civilisations of the Phoenicians and the Egyptians might have survived intact. The African Association, the ... *The Gates of Africa: Death, Discovery and the Search for Timbuktu*
