Description :

PDF-7b7b8 | Back in 1997, New Labour came to power amid much talk of regenerating the inner cities left to rot under successive Conservative governments. Over the next decade, British cities became the laboratories of the new enterprise economy: glowing monuments to finance, property speculation, and the service industry—until the crash. In *A Guide to the New Ruins of Great Britain*, Owen Hatherley sets out t... *A Guide to the New Ruins of Great Britain*
