Description :

PDF-008ab | The French scientific expedition that set off for Peru in 1735 did not have much luck. Five of its members died or went insane before their seven years' work was completed, but Jean Godin, the youngest member of the team, fell in love with and married a local girl - Isabela, the daughter of the local Spanish governor. After a few years, Godin crossed the Andes and travelled the Amazon to test whet... *The Lost Lady of the Amazon: The Story of Isabela Godin and Her Epic Journey*
