ISBN : #1592531938 | Date : 2006-01-01

Description :

PDF-23ce0 | Most architectural standards references contain thousands of pages of details-overwhelmingly more than architects need to know to know on any given day. Now there is a place where architects can find vital information essential to planning and executing architectural projects of all shapes and sizes-in a format that is small enough to carry anywhere. Materials, Structures, and Standards distills t... *Materials*
