Description :

PDF-f9271 | This affectionate look at the revered British radio broadcast surveys the history and lore of the four-times daily announcements of weather reports and forecasts for the seas around the coasts of the British Isles. Written from the perspective of an announcer who read the on-air forecast for nearly 40 years, this book begins with the genesis of the forecast itself. This narrative spans from 19th-... *And Now the Shipping Forecast: A Tide of History Around Our Shores*
