Description :

PDF-c2ca4 | Philip II of Spain—ruler of the most extensive empire the world had ever known—has been viewed in a harsh and negative light since his death in 1598. Identified with repression, bigotry, and fanaticism by his enemies, he has been judged more by the political events of his reign than by his person. This book, published four hundred years after Philip's death, is the first full-scale biography o... *Philip of Spain*
