Description :
PDF-e9c80 | Queen Victoria came to the throne almost without resources, under threat from republicanism, in a period of social, political and economic turbulence. She died, having revived the failing image of the British monarchy, head of one of the world's richest families. Victoria was the first monarch in British history to combine the public role of head of state with the private one of wife and mother. A... *Queen Victoria: Gender and Power*
