Description :

PDF-36e13 | England used to enjoy one of the most comprehensive railway networks in Europe. By the last decade of the 19th century there was hardly a hamlet in the land which could not be reached by train itself or after a brief ride in a pony and trap from the nearest station. However, the improved reliability and sheer convenience of internal combustion engined road vehicles brought competition to the railw... *Railway Walks: Circular Walks Along Abandoned Railway Lines in Gloucestershire and Wiltshire (Walkabout)*
