Description :

PDF-6da6d | With the vast expansion of the Roman Empire came a need for more and more fortifications to defend it. The borders of the Empire stretched through wildly different terrains which demanded a huge variety of different fortifications, depending on the local conditions and the threats faced by the different areas. The adoption of local troops (auxiliaries) and local building techniques at key strategi... *Roman Auxiliary Forts 27 BC–AD 378 (Fortress)*
