Description :

PDF-b67dc | Shelter II is the second in a series of books about people building their own homes in different parts of the world. The principles outlined in Shelter, published almost 40 years ago, seem even more important today: relearning the still-usable skills of the past and doing more hand work in providing life's necessities.

Shelter II provides a basic manual of design and construction for the first tim... *Shelter II (The Shelter Library of Building Books)*
