Description :

PDF-93010 | What is silence? Where can it be found? Why is it now more important than ever? In 1993, Norwegian explorer Erling Kagge spent fifty days walking solo across Antarctica, becoming the first person to reach the South Pole alone, accompanied only by a radio whose batteries he had removed before setting out. In this book, an astonishing and transformative meditation, Kagge explores the silence around us,... *Silence: In the Age of Noise*
