Description :

PDF-d4312 | Out of the division and strife of the Middle Ages, Spain emerged from behind the Pyrenees to straddle the stage of European politics like some new colossus. Discoverer of a New World, it became the greatest power on earth and created a Golden Age of culture breathtaking in its quality and achievement. Within 150 years, Spain was in a state of decay and fast being left behind by more progressive Eu... *Spain: A History*
