Description :

PDF-416e5 | One bright day in December 2001, sixty-two-year-old Germaine Greer found herself confronted by an irresistible challenge in the shape of sixty hectares of dairy farm, one of many in south-east Queensland that, after a century of logging, clearing and downright devastation, had been abandoned to their fate. She didn't think for a minute that by restoring the land she was saving the world. She was ... *White Beech: The Rainforest Years*
